PARTNERSHIP SUMMIT

# RESURGENT RAJASTHAN BEGINNING OF NEW PARTNERSHIPS

We are committed to providing a significantly better and more prosperous life to all the citizens of the State. For people of Rajasthan to realise their dream of a much better life for themselves and their children, it is essential that we create an entire ecosystem of opportunities.

We have taken a slew of measures including upliftment of agriculture sector, investments in core infrastructure, labour policy reforms for growth of organised employment, and investment promotion to trigger livelihood opportunity creation.

The efforts have borne fruit. The private sector has responded and reciprocated with enthusiasm. This publication is a synopsis of the MoUs signed with companies across sectors during 'Resurgent Rajasthan'. We are committed to the successful fruition of each of these projects. The new era of Rajasthan's development will be driven by partnerships. This is just the beginning...
